Hurricane Season is here

Please remember to keep your trees free of fruit as they become projectiles during a storm.

When a major storm is forecasted please remember to bring in small items such as lawn furniture, potted plants, toys, basketball hoops etc.

Thank you.

Update on Roads

Our streets have been completed.

They will be back to finish off the crosswalks and line painting on Grove Drive.

Wednesday

7:00 p.m.

at

the

clubhouse.

See last page for agenda

Please do not block the sidewalk with your vehicles.

Sidewalks need to be accessible to everyone.

Children on bikes, strollers, wheelchairs, pedestrians, etc.

Yard of the Month for April Congratulations to: Mrs. Bloom 1060 Summerfield Drive

TRASH DAY

Trash Days are on Tuesdays and Fridays
Tuesday is for Bulk, Recycling, Yard waste and Trash

Friday is Trash only
Please put trash out the night before pick up only.
Do not put trash out to the street any other day of the week.

If trash is left after trash pick up and it is tagged with a violation by the County please bring the item/items back to the house and comply with the information on the tag.

Parking in the street enforcement
Code enforcement will be called on vehicles that continuously park in the street.
Never park in front of a Fire Hydrant

Storm Drains

Please make sure to advise your lawn care company not to blow grass clippings into the storm drain.
Drains lead directly to the lake.
This can become costly and lessens the beauty of the lake with weed overgrowth.

Did you know that parking on the grass is not permitted.

This is a HOA and a County violation.

Parking on the grass on a continuous basis is an eye sore. It ruins the grass and destroys sprinkler heads which should be in good working order.

Collier County Laws state that...

- **All Dogs And Cats Must Be Licensed** with the County and vaccinated for rabies by the age of three months.
- All licenses must be **Attached To The Collar Of The Animal**.
- Dogs and cats are **Not Allowed To Run Loose!** Animals must always be confined to your property or walked on a leash!
- Beaches, parks, and especially **School Grounds Are Off Limits**.
- Dogs are **Not Allowed To Snap, Growl, Jump On**, or otherwise **Threaten** persons using the public right-of-ways.
- Dogs and cats are **Not Allowed To Create A Sanitary Nuisance**. Pick up after your pets.
- **Animals are not allowed to disturb the peace and quiet of the neighborhood.**

For licensing or other information, please visit <https://www.colliercountyfl.gov/your-government/divisions-a-e/domestic-animal-services/laws-for-pet-owners>

Please remember to notify the office of any changes in email addresses, phone numbers, vehicle information and if you decide to rent your home.

Rec. center parties only

Bounce houses have been approved by the Board during clubhouse rental as long as Company provides the HOA naming us certificate holder for liability insurance. It must be emailed and received by our office prior to your rental.

Rentals are between the hours of 9:00am and 9:00 pm

You must be finished no later than 9:00 p.m. or you could incur extra fees.

To be fair to all residents

Pool parties are done by making reservations through our office by renting the clubhouse.

You may also use the pavilions in the park for a party but you will need to reserve that through office with a security deposit only.

No one is permitted to have a pool party pool side, as this is also a County ordinance.

Frequently asked question.

What's the Best Time to Run Your Sprinkler System?

12:00 a.m. and 4:00 a.m.

That's when your lawn and landscaping can best absorb the water, and it will saturate well. If you wait until the sun is shining, much of that water will evaporate, and be wasted.

If you have a storm water drain located in the front of your home, please keep it weed, litter and debris free.

Trash and Trash can storage

Please **do not** put Trash of any sort at curb side until the night before pick up **this detracts from our community and it is an eyesore.** Remember to bring in cans the same day after pick up. Please call in BULK items the Friday before Tuesday's pick-up. 239-252-2380. If waste management does not pick up your trash because the item was not called in or prepared properly, please bring it back in the same day until the next pick up date. Thank you.

Lawn Maintenance

When mowing your lawn, please blow grass clippings back into the yard when you are finished.

Items are not to be stored on the side of the house.
Ladders, wood, landscaping items and debris of any kind.

Yard waste collection is on the same day as your recycling collection. Yard waste must be prepared for collection by either:

- Placing in personal containers no larger than 45 gallons, weighing no more than 50 pounds when filled.
- Placing in paper bags/sacks.
- Tying in bundles no longer than four feet in length.

No branches thicker than four inches in diameter.

No more than ten (10) bundles or containers.

No Plastic Bags.

NOTE:

The Waste Management Bagster Bag service for waste materials generated from household remodeling, garage clean out or other similar projects is not included in the Collier County solid waste collection service. For information, contact Waste Management Bagster Division at 1-877-789-BAGS or 1-877-789-2247.

Just a reminder living on the Lake you must take extra precautions with your family and animals.

If you have concerns with an alligator please call Florida Fish and Wildlife
863-648-3200.

Collier County utilities has requested that we ask owners not to flush any items down the toilet except for toilet paper! Thank you.

Signs

No signs are permitted to be placed in the yard, this includes on vehicles or any items.
1 for sale/rent sign is the only sign permitted and it is to be placed in the front window of the home.

Be sure your sprinklers are in good working condition and to water only on your regularly scheduled days.

On April 28, 2015 the Board of County Commissioners of Collier County adopted Ordinance 2015-27 that provides for Phase I Water Restrictions to be the standard for landscape irrigation in the county.

No irrigating on Fridays No irrigating between 10:00 AM. and 4:00 PM

Landscape Irrigation – Established

ODD Numbered Addresses – Irrigation is limited to three days a week, Monday, Wednesday and Saturday, irrigation is prohibited between 10:00 AM and 4:00 PM.

EVEN Numbered Addresses** – Irrigation is limited to three days a week Tuesday, Thursday and Sunday, irrigation is prohibited between 10:00 AM and 4:00 PM.

** Includes even and odd addresses in the same irrigation zone - multi-family, HOA, and common areas with no address.

Any plant material may be watered using low volume irrigation, micro-irrigation, rain barrels, cisterns, or other similar rain harvesting devices without regard to the watering days and times allowed.

All automatic irrigation systems must be equipped with a properly installed rain sensor switch. Landscape Irrigation – New (in place less than 30 days) ALL Addresses – May be irrigated every day but Friday and not between the hours of 10:00 AM and 4:00 PM; low volume hand watering allowed anytime. Irrigation is limited to targeted areas containing 50% or less new landscaping only. If new plantings consist of more than 50% of the area you may irrigate using zone irrigation for the new plantings in that zone. Landscape Irrigation - Watering-in ALL Addresses - Watering-in of fertilizers, insecticides, pesticides, fungicides, and herbicides, where recommended by the manufacturer, or by federal, state or local law or best management practices, shall be allowed under the following conditions: a. Such watering-in shall be limited to one application unless the need for more than one is stated in the directions for application by the manufacturer b. Such watering-in shall be accomplished during the normally allowable watering days and times as stated above. Irrigation System Maintenance Existing Systems – Ten minutes per zone per week; a person must be present and working on the system during each such operation. Other Outdoor Water Uses Other outdoor water uses, including car, truck, and boat washing, and the washing of exterior home surfaces and roofs, shall be allowed anytime with the use of Low Volume Pressure Cleaning Equipment, Low Volume Mobile Washing Equipment and/or water hose equipped with an automatic self-canceling or automatic shutoff nozzle. In all cases, the water used must drain to a pervious surface or to a water recycling/reuse system.

Questions regarding irrigation restrictions, please call Customer Service at 239-252-2380 or visit the South Florida Water Management District web site Water Shortage Watch.
